

Journey: Making travelling easier

Introduction

Explore the city to progress.

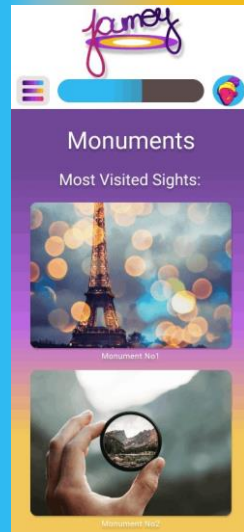

Learn local phrases and history.

Customize your journey to your liking.

Explore the city

Visit the recommended locations to **progress**.

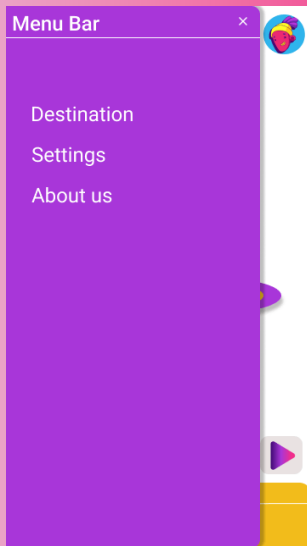

Learn local phrases and history

When you arrive at a destination, **learn useful phrases** like ordering food and asking for direction, as well as the **history** of the locations

Customize your journey

Choose how you want to explore the city.

Track your progress

As you **explore** various cities, your progress is shown by the progress bar and personalized badges.
